

EPA/DEQ Staff Management Meeting

March 9, 2016, 1:00 – 2:30 pm

This meeting will be held by telephone

1. Role Changes – Dick, Keith, Kevin
2. FS/PP High Level Overview
3. Schedule/Process for FS: Process is to present each section to the TCT as it finishes internal review. Not asking for upgrades unless there is a fatal flaw.
4. Status updates on outstanding issues being discussed by EPA and DEQ
 - Assuring sufficiency of implementation in the ROD-process moving forward – status report
 - Cost estimates and cost containment, DEQ talk about focus
 - Point of compliance and recontamination associated with source control-status and next steps, possibly – describe current status
 - Fish Institutional Controls, possibly (cost, alternative public fishing sites) – discuss what will be in PP, knowing the full plan will not be in there.
5. Update on Outreach Schedule/Activities – Be sure everyone knows what is going on.
 - a. Public Info Sessions
 - b. PCI Group
 - c. Business Associations
 - d. Congress
 - e. PH Execs
 - f. Public Meetings once FS/PP are issued (if scheduled)
6. 2/18 Port and NW Natural met with Mathy – Overview of the meeting and what actions are being taken as a result.
